You must have heard about people getting hired, rejected, or fired by employers because of their twitter, or linkedin, or facebook, or orkut profiles. Please select one of the following:

- A.** Sorry, haven't heard any such news.
- B.** I think I have heard about it somewhere.
- C.** I know many such cases. And I believe it is becoming a major trend among employers to check the online presence of employees.
- D.** I have heard about it. But I think they must be exceptional cases because these things don't happen everyday.
